A diagram illustrating the relationship between a header file and four source files. At the top is a gray rectangular box labeled 'dbus-handler.h'. Below it are four white rectangular boxes with black borders, labeled 'dbus-handler.c', 'dbus-signal.c', 'main.c', and 'wpa.c' from left to right. Four dark blue arrows point from each of these four source files up to the 'dbus-handler.h' header file, indicating that each source file includes this header.
